

Udyogshalam... Creating smart Entrepreneurship at various levels of prospective entrepreneurs such as individual, budding and 2nd generation entrepreneurs to participants & students from various skill training, education and management institutes.

About Udyogshalam... Udyogshalam उद्योगशालाम्...

It's a 1000 days mentoring concept for budding entrepreneurs by Mr. Harshavardhan Ranade*, Founder- Biznovators. 1000 days mentoring involving classroom training, weekly tasks, personal & in group mentoring, hand holding and bonding of togetherness to achieve the goal of converting our budding entrepreneurs into self-sufficient smart entrepreneurs.

{*refer annexure I to know more about Harsh}

Vision of our Founder: - Biznovators, highly values the spirit of smart entrepreneurship. In today's world opportunities give highest benefit to those ones who act smart, innovatively and creatively; to conquer the disbelief of uncertainty and impossibility.

It has been the endeavor of Biznovators to support and help individuals through entrepreneurship initiative to bring growth. Biznovators also believes that every entrepreneur deserve to receive the highest benefit through exploration of entrepreneurial opportunities around them. In fact if the need based training of Entrepreneurship is imparted, by giving understanding of true values and benefits of the concept, it will not only open the doors of unlimited growth to these youngsters but will also give them the required strength to face their future with honor. This is the need of the time.

Biznovators through our **Entrepreneurial Development initiative** develops smart entrepreneurship at various levels of prospective entrepreneurs such as individual budding and 2nd generation entrepreneurs to participants & students from various skills training, education and management institutes. Harsh calls this endeavor - our dream project- Biznovators- **Udyogshalam..**
